

Welcome to the Bunny Bulletin

The Bunny Bulletin is the Bunny Village monthly magazine. It was founded in September 1998 and is distributed free of charge to every household and business in the Parish of Bunny.

It is produced by a team of volunteers and is funded by Bunny Parish Council and advertising.

The Editorial Committee is conscious that the population of Bunny is constantly changing and is aware that the sense of community that many of us value is in danger of being lost. By promoting village activities and events, raising issues that affect the life of the village, giving a voice to Bunny residents and supporting local businesses and trades-people, we hope to foster a sense of belonging in those who live in our village.

EDITORIAL

April 2011

In the February issue, Isabella placed a notice about a childminding service that she would be offering when her registration came through. If you turn to page 43 you will see that all the necessary checks have taken place and that Bunny resident, Isabella, is now “in business”!

There has been a flurry of activity in the village in preparation for the Parkyns’ Festival in June. On pages 20 and 21 the names of those in the frame for co-ordinating various aspects of the Festival are displayed. These are more or less the “usual suspects and some new blood would be nice - especially in making costumes for the weekend.

Lots of Bank Holidays this month, so plenty of opportunity to get out and about! Jan and Dave Eastgate have been describing the various walks around Bunny in their “Bunny and Beyond” series, and this month they are leading an Easter Monday Expedition overland to Ruddington Country Park - an ideal venue for a picnic and a rest while the children play on the swings (you could even get the bus back!). For those of you walking on the Moors, watch out for hare coursers, and for any suspicious vehicles that may be about. Give the police a ring, but be discrete in doing so, and do not challenge them.

If you have been out walking, along Loughborough Road, Wysall Lane and Gotham Lane in particular, you can’t have failed to notice the amount of litter about. Time then for a deep clean! Saturday April 16th is the day, 9.30 a.m. the time, the Village Hall the place. Starting with bacon butties and a briefing, you will be sent off in groups to clear up the mess that others have made (a bit like being a mother I suppose!).

Don’t forget the History Group’s Film Night on April 6th in the Church (Page 17). It should be a trip down Memory Lane for those who knew Nottingham in their youth, and of interest to more recent arrivals.

Finally, look out for John Berridge’s interesting article on Humanism. You will find it on page 22.
